

## Legal bases for the Privacy Policies of ezeep and ThinPrint

### Legal bases of the processing in the EU General Data Protection Regulation (GDPR)

The provider or processor may only process personal data of users if one of the following applies (Article 6 paragraph 1 DSGVO):

- a) the data subject has given *consent* to the processing of his or her personal data for one or more specific purposes;
- b) processing is necessary for the *performance of a contract* to which the data subject is party or in order to take steps at the request of the data subject prior to entering into a contract;
- c) processing is necessary for compliance with a *legal obligation* to which the controller is subject;
- d) processing is necessary in order to protect the *vital interests of the data subject* or of another natural person;
- e) processing is necessary for the performance of a task carried out in the *public interest* or in the *exercise of official authority* vested in the controller;
- f) processing is necessary for the purposes of the *legitimate interests pursued by the controller* or by a third party

Specifically, the processing of personal data mentioned in the ThinPrint GmbH Privacy Policies – e. g. related to ezeep.com, thinprint.com or Mobile Session Print – is based on the following of the above mentioned legal bases:
