

# ezeep Payment Overview

## Paid printers

As a provider you can select a printer and define what type of print job is paid.

**Define Print Jobs**  
Set prices for different job types

**Share the Printer**  
Give access to group of users

**See Reports**  
Verify your print income

## ezeep Credits

Users that pay for printing can buy credit on our website. The credit belongs to the users and we charge them every time they print according to the pricing the provider has selected.

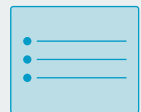

**User's Credit**  
Users buy credit from ezeep

**Paid Print**  
Users print to paid printer

**Tracking**  
ezeep tracks paid print jobs

## Payouts

We collect the money and when the account balance exceeds 150 € or \$150, pay out the owner the total revenue generated minus a 20% transaction fee.

**Collecting Credits**  
We collect money from paid print jobs

**Commission**  
ezeep takes 20% transaction fee

**Monthly Payout**  
Payout to owner's bank account
